

# YOYO Advisory

# Additions to the YOYO Survey

Proposing the addition of two Covid-19 related questions to help address any data changes related to Covid-19.

# Additions to the YOYO Survey

## 1. For those not working:

- Based on your conversation with the respondent do you believe that the former student would have worked since leaving high school if not for COVID 19? [answer options: Yes / No / Don't Know]

## 2. For those not in Post-Secondary Education:

- Based on your conversation with the respondent do you believe that the former student would have gone to post-secondary education since leaving high school if not for COVID 19? [answer options: Yes / No / Don't Know]

Both questions will be preceded by the statement:  
Interviewer Question: Not to be asked of Respondent
