

# Which path will *you* choose?

We want to know!

Please participate in the Youth One Year Out (YOYO) former student interview one year after you exit high school. It's quick, easy, and important!

## What?

One year after you exit high school, your teachers will contact you for the Youth One Year Out (YOYO) interview to learn about your life and how you're doing. Please make sure your high school has your updated contact information!

## When?

YOYO interviews will take place between April and August, a year after you exit high school.

## Who?

All students who exited high school with an Individualized Education Program (IEP) will be asked to participate in the YOYO interview. Responding to the YOYO interview is voluntary and confidential.

## Why?

The YOYO interview helps identify factors that lead to successful transition from high school to adult life. The YOYO interview is quick, easy, and important! You will be asked questions about work, school, and life.

The Kentucky Post School Outcomes Center (KYP SO) develops and oversees the YOYO interview. KYP SO can be contacted at [information@kypso.org](mailto:information@kypso.org).
